

**The Grosse Pointe Crisis Club
Presents the
Jack of Spades Raffle**

This is a playing card progressive raffle, licensed for 52 weeks by the State of Michigan. Tickets are sold for \$1 each with weekly drawings every Wednesday evening, at 8:00 PM, starting on January 9, 2013. Ticket sales and drawings will take place at the Sunrise Sunset Saloon located at 15222 Charlevoix St. in Grosse Pointe Park.

Chairpersons from the Club will randomly place 52 regular playing cards into 52 envelopes numbered 1-52 that will be displayed in a locked display case located at the Sunrise Sunset Saloon. The winner is determined when the envelope that contains the Jack of Spades is drawn. Only one envelope will be drawn each week until the Jack of Spades is exposed. The winner will receive 65% of the dollars collected and the Crisis Club will receive 35% and pay all expenses related to the raffle. Tickets are now available, so stop in at Sunrise Sunset Saloon so you get a chance to help the Club make this a successful raffle and maybe make you a winner as well. Tickets can also be purchased at the Irish Coffee Bar & Grill on Mack Ave. in Grosse Pointe Farms, Mike's On The Water and all three mall locations of DC Sports Stores.

The image shows a promotional poster on the left and a photograph of a display case on the right. The poster is yellow and features the Grosse Pointe Crisis Club logo at the top left, which consists of two hands shaking. The text on the poster reads: "GROSSE POINTE CRISIS CLUB presents JACK OF SPADES RAFFLE 65% PAYOUT TO WINNER Drawing Every Wednesday @ 8:00 P.M. January 9, 2013 through January 1, 2014 Tickets: \$1.00 Need Not Be Present To Win". Below this, it says "Tickets available and drawings held at: Sunrise Sunset Saloon 15222 Charlevoix Grosse Pointe Park, MI 48230". There is also a small logo for Sunrise Sunset Saloon. The photograph on the right shows a display case with 52 numbered envelopes arranged in a grid. The envelopes are numbered 1 through 52, with the last one (52) being red. The envelopes are arranged in 6 rows: the first five rows have 9 envelopes each, and the last row has 8 envelopes.
